## FRUITA MONUMENT HIGH SCHOOL

Parking spaces are at a premium, and as a result, certain rules have been established. Parking on school grounds is a **privilege**, and students who do not abide by the parking regulations at FMHS will be subject to monetary fines, loss of parking privileges, or other disciplinary action. If space becomes available after the first semester, sophomores may be allowed to buy a parking permit dependent upon GPA, attendance and respectful and responsible behavior. Specifics will be announced if space becomes available.

### PARKING REGULATIONS:

- All outstanding fees, fines and missing library books from previous school years must be paid along with current fees before a permit can be purchased.
- Parking permits are required to park on school grounds and are issued only to juniors and seniors. Sophomores are **not** allowed to park on campus.
- **Vehicles must be registered in order to park on campus.** Permit fees are \$10.00 **per student.**
- Permit Placards will be placed on the rear view mirror and will have the license plate number of the registered vehicle on them.
- **Proof of insurance and registration** will be required to purchase a permit. No exceptions! If you have temporary plates a temporary parking permit will be issued.
- All traffic signs and markings on campus must be obeyed. Excessive speeds will result in loss of campus parking privileges
- Careless or inappropriate driving behavior in the parking lot can result in a fine and or loss of parking privileges.
- Parking tickets will be adjusted **ONLY** within the first two weeks of a new quarter.
- Sound systems may not be played excessively loud in parking areas.
- Parking fees totaling a dollar amount owing of \$40.00 will result in a written warning by an administrator issued to the student. Further violations will result in loss of parking privileges and/or parking lot trash clean up.
- Upon withdrawing from school you will need to turn in your parking permit as part of the check-out process. Early complete students will also be required to turn in their permits.
