**Future Career(s):**

**Choose intentional electives that correspond with your career goals**

All students must obtain full-time status by enrolling in 6 out of 8 possible classes per semester. For athletic eligibility, students must enroll in 6 out of 8 classes each semester. That means with parent permission, an upper classman can take up to 2 releases per semester.

\*NOTE: Please check student planning guide for course fee requirements and pre-requisites for coursework. We will make every effort to fulfill student and parent schedule requests, however, based on a number of factors classes may need to be added or removed from the course offerings. Additionally, the administration of FMHS reserves the right to design and make changes to students' schedules. These changes may occur after initial schedules are completed. Some courses listed may not be offered, this decision will be based on enrollment needs.
