

Emergency Alerts

School District 51 has partnered with the Grand Junction Regional Communications Center on the new Emergency and Community Alerts program. Parents can sign up to receive alerts on school incidents or closures as well as a wide variety of other community news like road closures and fire locations. And, it's free and easy! Just visit www.gjcity.org and click on *Emergency and Community Alerts* on the left of the screen. Start receiving your alerts today on your cell phone (via call or text), home phone, work phone or e-mail... or all four!
