Dear FMHS Family,

Greetings Wildcat fans, parents and supporters! There are a lot of rumors swirling around these days regarding face to face instruction and remote learning with the recent rise in COVID cases in Mesa County. FMHS remains committed to providing face to face learning for all students for as long as possible. Our hope is that while we may have to quarantine students and staff throughout the year, that we will be able to support those students remotely while providing students with face to face instruction throughout the year.

Since the beginning of the school year, we have had six positive COVID cases that we are aware of and have quarantined a total of 150 students and four staff. We have 36 students out on quarantine as of 11/2/2020. We will continue to notify you if we have a positive case on campus and will let you know if your student is considered to be a close contact and needs to be quarantined. If your student is not considered a close contact, you will receive a general notification.

We will remain on the same alternating block schedule for the second semester. Please see the link [FMHS 2020-21 Calendar](#) or go to view the updated calendar.

As we wind down our fall programs, I would like to express my gratitude to the hundreds of students that represented FMHS on fields and courts this fall. Once again, our student body and the community, while limited, showed their support with tremendous spirit and pride. Congratulations to our Wildcat Marching Band, Cheer team, Poms team, golfers, tennis players, cross country runners, softball and football players for representing FMHS with outstanding performances and sportsmanship. Thank you to the countless parent volunteers that worked behind the scenes to support our programs.

Also, thanks to our community, staff, student body and Student Council members for all of their efforts in making this year's homecoming week eventful despite all of the restraints and guidelines.

Respectfully,

Todd McClaskey, Principal

IT'S GREAT TO BE A FRUITA MONUMENT WILDCAT!

Cross-Country State Results

Saturday October 17, at the Norris Penrose Events Center in Colorado Springs, Junior Jayden Heil narrowly missed out on a top-10 finish in the Girl's Class 5A, taking 11th with a time of 18 minutes, 42.1 seconds. She lead the Wildcats to a 9th place finish followed by teammates Ella Unrein, 41st; Elaina Arcand, 47th; Addison Eyre, 63rd; Mackenzie Black, 83rd; Miranda deeths, 99th.

On the boys' side, McGinley Zastrow and Kien Cogley, finished 19th (16:28.3) and 20th (16:30.6), respectively. Way to go!

FALL SEASON: We have completed all the sports that we were allowed to have this year. Thank you fans for being understanding and cooperative.

As of now we are kind of in limbo. CHSAA has submitted the requests for Sport Season B Which will start on January 4, 2021. The sports that are hopeful to be played are Basketball Boys and Girls, Girls Swimming and Wrestling. CHSAA has asked for the Governor's Commission to respond by December 1st. As of now nothing has been decided yet. Without setting people up for disappointment, we do have to plan as if we will have a season. What we are asking is that you begin to register your athletes any time. Do not do the payment that can be done quickly before the season when we find out more information.

Thank you for your continued support and understanding during this time of uncertainty.

THANKS YOU ALL!!

Marching Band Completes a Different, But Successful Season Concert Band Holds Concerts

The Wildcat Marching Band completed a shortened, but successful fall season. Led by Senior Drum Majors Elizabeth Kennedy and Morgan McNair, the Wildcat Band performed in 3 expos with GJHS, CHS and PHS at Stocker Stadium. The Band also enjoyed playing at 2 of the home football games. The 109 members of the Wildcat Marching Band worked extremely hard, starting in late July on a 3 ½ minute show.

The Concert Bands have had an excellent fall. Symphonic 1, Symphonic 2 and the Wind Ensemble gave an outstanding concert on Monday, November 2nd. All of the concert bands in addition to Jazz I are looking forward to a concert on December 8th. Many thanks to Mr Hart and Hart Music for live streaming the event. The Wildcat Band is thankful for the Fruita Community and all for their continued support. They look forward to playing live music again for you soon.

FMHS Students, Families, and Staff– Wildcat Store open!

As we start a new school year, we understand that the impacts of COVID have been difficult. If your finances are making it challenging to provide appropriately-fitting, clean school clothes for your student(s) this year, please send them my way. We have updated and expanded the available clothing and shoe varieties for students. This is a FREE resource for students and there is not an application process. If your student needs clothing or shoes for the school year, please contact Micaela Manchester via e-mail at mmanches@d51schools.org. Opportunities to shop will be available on Tuesdays and Fri-

Frequently asked questions:

What is the ad revenue used for?

The revenue from advertising sales is used to support the yearbook and keep it affordable for everyone.

Can I send my ad directly to the school?

No, please do not send materials to our school. We have selected Jostens to assist with ads. Please go to jostensadservice.com to create and purchase your ad.

What type of photo can I upload to create my ad?

The Ad Designer only supports JPEG file formats (Jpg, jpeg, jpe).

Can I upload a predesigned digital ad or scan my business card to use as my ad?

Yes, just select the appropriate layout to fit your design and upload your digital file. The layouts with a single photo box that fills the ad works best for this purpose. Please ensure that the file you upload meets the specifications listed below.

What are the guidelines for uploading images or a completed ad?

Please use the following guidelines when selecting the photos or complete ad to upload:

- Maximum dimensions of 7000x7000 pixels (49 Megapixel)
- Maximum size of 25 MB
- Must be a valid JPG image
- Must be RGB or Grayscale, not CMYK
- Must be 8 bits per channel (RGB or Grn)
