## Dear FMHS Family,

Greetings Wildcat fans, parents and supporters! As we wind down our fall programs, I would like to express my gratitude to the hundreds of students that represented FMHS on fields and courts. Once again, our student body and the community poured in to show their support with tremendous spirit and pride. Congratulations to our cheer team, spirit team, golfers, tennis players, cross country runners, cyclists, soccer, volleyball, softball and football players for representing FMHS with outstanding performances and sportsmanship. We are looking forward to many of these programs continuing with post-season play this month. Last week, the Wildcat Marching Band competed in the Class 5A semifinals after winning the Western Regional. Thank you to the countless parent volunteers that worked behind the scenes to support our fantastic programs. I would also like to congratulate our Future Farmers of America (FFA) program on an outstanding showing at nationals.

Also, thanks to our community, staff, student body and Student Council members for making this year's homecoming week one of the most memorable yet. A tremendous amount of work went into the nightly activities, assemblies and performances that allow our students to experience traditional events that create a stronger sense of community spirit and school pride. The homecoming dance saw record attendance and school spirit is extremely high this year thanks to your efforts.

2022 SAT and PSAT results are in and congratulations to our students and staff on outstanding results. FMHS led District 51 in composite scores in both SAT (992) and PSAT scores (942). FMHS also bested the state average in SAT and PSAT as well. Way to go Wildcats!

Assessment	FMHS	District 51	Colorado
PSAT Composite Score	942	917	935
SAT Composite Score	992	960	986

Respectfully,

Todd McClaskey, Principal
